Andres Perez Guardiola

Software Developer

andres.pguardiola@gmail.com | +506 86539639 | Esparza, Puntarenas, Costa Rica

Professional Summary

Skilled team player with strong background in web and mobile environments. I have excellent soft skills, including effective communication, adaptability, and problem-solving. I work well independently to handle assignments and always ready to go beyond basic tasks. Quick learner with strong computer abilities.

Work Experience

SOFTWARE DEVELOPER | WEVE TECHNOLOGY | MAR 2024 - SEP 2024

- Developed mobile apps using React Native and web applications with Vue.
- Integrated design feedback to build and maintain user-centered software applications.
- Contributed to code reviews, debugging, and optimization.
- Collaborated with UI/UX personnel to integrate ease-of-use and accessibility considerations into developed software.
- Integrated advanced technologies and tools to improve software performance.

SOFTWARE DEVELOPER | CENTAURO SOLUTIONS | AUG 2023 - DEC 2023

- Implemented modern front-end frameworks to create interactive user interfaces and enhance user experience.
- Applied optimization techniques to enhance website speed and user satisfaction.
- Used coding skills to build prototype sites according to designer vision.
- Utilized MongoDB to store and retrieve data, implementing secure authentication and authorization mechanisms.
